

Short Course:  
 Quantitative Nondestructive Evaluation for Pipes  
 July 19-20, 2008

University of Illinois at Chicago (UIC)  
 Chicago, Illinois, U.S.A.

This **Short Course on QNDE for Pipes** will be the seventh in a series of short courses/workshops sponsored by the World Federation of NDE Centers. The short course will present a program of informal presentations designed to stimulate discussions of new NDE methods and code requirements for quality assurance of piping in the transmission of gas and oil, in heat exchangers, in chemical processing and in fabrication mills. A CD with copies of all course materials will be mailed to each participant after the conclusion of the short course. The course fee is \$650.00; the fee covers all course materials, breakfast, lunch, and beverage breaks during the meeting days. Registration deadline: **JUNE 27**.

**Cancellation Policies:** Written cancellation is required by 5:00 p.m. CDT on Thursday, JULY 3, 2008, to receive a full refund. After JULY 3 and with extenuating circumstances, a refund less a \$75.00 processing fee may be granted. "No show" registrations at the short course site will not qualify for a refund.
