

Short Course:  
 Quantitative Nondestructive Evaluation for  
 Life Extension in Power Plants  
 July 25-26, 2009

University of Rhode Island (URI)  
 Kingston, Rhode Island

This **Short Course on QNDE for Life Extension in Power Plants** will be the eighth in a series of short courses/workshops sponsored by the World Federation of NDE Centers. The short course will present a program of informal presentations designed to stimulate discussions of new NDE methods and code requirements for maintaining the safety and reliability of power generation, both nuclear and non-nuclear. A CD with copies of all course materials will be mailed to each participant after the conclusion of the short course. The course fee is \$650.00; the fee covers all course materials, lunch, and beverage breaks during the meeting days. Registration deadline: **MONDAY, JULY 6.**

**Cancellation Policies:** Written cancellation is required by 5:00 p.m. CDT on Monday, JULY 13, 2009, to receive a full refund. After JULY 13 and with extenuating circumstances, a refund less a \$75.00 processing fee may be granted. "No show" registrations at the short course site will not qualify for a refund.
