

Short Course:  
Probability of Detection  
July 17-18, 2010

Marriott San Diego Mission Valley  
San Diego, California

This **Short Course on Probability of Detection** will be the ninth in a series of short courses/workshops sponsored by the World Federation of NDE Centers. The short course will consist of informal presentations designed to present current methods for determining probability of detection and to discuss advanced concepts under development. A USB flash drive with copies of all course materials will be distributed to each participant at the conclusion of the short course. The course fee is \$650.00; the fee covers all course materials, lunch, and beverage breaks during the meeting days. Registration deadline EXTENDED: **FRIDAY, JULY 9**

**Cancellation Policies:** Written cancellation is required by 5:00 p.m. CDT on Monday, JULY 5, 2010, to receive a full refund. After JULY 5 and with extenuating circumstances, a refund less a \$75.00 processing fee may be granted. "No show" registrations at the short course site will not qualify for a refund.
